

Local **HOT TOPIC** **UPDATES** & **MEMBER MINUTES**

September 18th, 2025 | 5:30pm - 7:30pm | Mackle Park - Bald Eagle Room

Saving Our Canals | The Case for AWT

Guest Speaker

Ed Sherwood

Executive Director of Tampa Bay Estuary Program

Ed Sherwood, TBEP's Executive Director since 2018, previously served as Senior Scientist since 2008. He oversees TBEP's interlocal partnerships, science-based bay restoration, technical and outreach initiatives, and acts as the primary policy liaison. He holds a B.S. in Marine Biology from the University of West Florida and an M.S. in Marine Fisheries and Ecology from the University of Florida.
